

Declaration and Power of Attorney for Patent Application

My residence, post office address and telephone are as listed below next to my name. I believe I am the original, first and sole inventor (or only one name to United States) of an original, first and sole inventor (if plural names are listed below) of the subject matter which is claimed here for which a patent is sought in the invention category

the specification of which is attached hereto.

I acknowledge the duty to disclose information which is material to the patentability of this application in accordance with Title 37, Code of Federal Regulations, 31.59.

Prior Foreign Application(s):

I hereby claim the benefit under Title 35, United States Code, §122 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, §112, I acknowledge the duty to disclose information material to the patentability of this application as defined in Title 37, Code of Federal Regulations, §1.55 which occurred between the filing date of the prior application and the earliest PCT international filing date of this application.

Serial No.	Filing Date	Starting
------------	-------------	----------

As a named inventor, I hereby appoint the following attorney and/or agent to prosecute this application and defend all business in the Patent and Trademark Office connected therewith: Customer Number 24341.
